

Dear friend(s),

Please support us on May 23rd 2009 Flagday on Hong Kong Island

Founded in 1987 as a nonprofit organisation, we have been campaigning for the rights of the mentally handicapped and helping the families that support them. By 1995, our operations have expanded into public service and education through exhibitions, seminars and integrated programmes teaching the community about acceptance of the mentally handicapped.

Thirty percent of our income is subsidised by the Community Chest of Hong Kong, but as an independent organisation unaided by the government, the majority of our income must be self-funded.

With permission from the Social Welfare Department, we will be selling flags for donation purposes on May 23rd, 2009 from 7:00am to 12:30pm on Hong Kong Island. Proceeds will be used to sustain our services in helping the mentally handicapped and in getting more people to accept them. At the same time, we will continue to counsel parents of the mentally handicapped and help them better understand their children's rights as equals amongst a larger community.

We sincerely thank you for your support in the past and hope that you will continue to do so by purchasing the attached golden flags. Donations may be mailed back to us in the accompanied envelope.

Should you have any queries, please call our Planning and Development Officer, Ms Violet Lee, at 27788131.

Sincerely yours,

Mrs. Gillian, LO CHENG Yuk-chun
Chairperson
